Financial Services and General Government

These Montana projects will help invest in our state's small businesses by providing financial training and access to capital. Our small businesses and entrepreneurs are what drive our state's economy, and these programs will help them grow and succeed.

Information about each project was provided by the requesting entity. Amounts requested are not guaranteed; funds secured are likely to differ from the requested amount. Senator Tester's appropriation requests to the Financial Services and General Government Subcommittee for Fiscal Year 2009 are listed below.

United States Senate Appropriations Subcommittee on Financial Services and General Government
