Dear Assistant Secretary Sweeney and Director Wray,

I write today to request an update on your agencies' efforts to locate Selena Not Afraid. I appreciate your offices' immediate response to my requests to prioritize this deeply troubling situation. Selena Not Afraid went missing near a rest stop on Interstate 90 between Billings and Hardin on January 1, 2020. It is critically important that your agencies commit all available resources to Selena's case to ensure she is found and reunited with her family. I respectfully request an update to ensure Selena's family and the local communities are aware of where this investigation stands.

The FBI and BIA are two of our nation's top investigative and law enforcement agencies. I urge you to focus all available resources on this case and provide any support you can for her family. I look forward to your response and stand ready to assist you in this effort.

Sincerely,

Jon Tester
